Civil Case No. 06-00025

ORDER

This case is scheduled to come before the Court on January 30, 2007, for a scheduling conference. The original scheduling conference date had been moved previously to permit resolution of a dispute over whether defendant Fujitsu Limited ("Fujitsu") was properly served with process. On January 26, 2007, Judge Tydingco-Gatewood issued an Order (Docket No. 119) affirming the decision of the below-signed judge to permit the Plaintiffs to effect service of process on Fujitsu via electronic mail and international mail requiring a signed receipt pursuant to Rule 4(f)(3) of the Federal Rules of Civil Procedure. In light of this decision, the Court believes it would be in the interest of judicial economy to re-calendar the scheduling conference until **Wednesday, February 21, 2007, at 9:00 a.m.** This brief continuance will provide all parties the opportunity to participate fully in the drafting of a scheduling order and discovery plan. The Clerk of Court is directed to return all previously submitted proposed

1 scheduling orders and discovery plans to the respective parties. The parties are directed to meet  
2 and confer in a good faith effort to prepare a proposed joint scheduling order and discovery plan,  
3 which shall be submitted no later than **February 16, 2007**.

4 SO ORDERED this 29<sup>th</sup> day January 2007.
